Re: Case No. 15-13018 - O.W. Bunker Germany GmbH

Dear Judge Bernstein:

We represent Dr. Gideon Böhm, the duly appointed administrator and foreign representative of O.W. Bunker Germany GmbH ("OWG"), in the above-referenced proceeding.

As Your Honor is aware, NuStar Energy Services, Inc. and NuStar Terminals Marine Services N.V. ("NuStar") filed a response to OWG's petition for recognition. At a status hearing before Your Honor on December 8, 2015, NuStar's counsel indicated its desire to cross-examine Dr. Böhm. As a result, Your Honor scheduled a hearing on the petition for recognition for January 12, 2016, at which time Dr. Böhm could appear before the court via videoconference.

Since the status hearing, the parties have worked together in an attempt to reach a consensual resolution that would obviate the need for testimony at the recognition hearing. We are happy to report that our efforts have resulted in an agreed order granting recognition, and NuStar has agreed that testimony will no longer be necessary at the recognition hearing. Consistently herewith, we have filed the *Notice of Filing of Proposed Agreed Order Granting Recognition of German Administration Proceeding and Related Relief* [Docket No. 21], which contains the proposed Agreed order and a blackline reflecting the changes that were made to the proposed order originally submitted to the Court [Docket No. 2].

We thank the Court for its attention to this matter and stand ready to answer any questions that Your Honor may have.

Sincerely,

/s/ Darren Azman
